

InftyReader Enterprise License

This is a license of InftyReader usable for business purpose or for a professional use to recognize a large volume of papers. There is no limit of page numbers to process per month, while it is limited to 10000 pages per month in the case of personal use license.

InftyReader with enterprise license can also be used for a network service to users in a campus or in one organization, but not for unlimited users. If you are interested in using InftyReader for a service to unlimited users outside a campus or organization, please contact us by e-mail to the address figured below.

Redistribution.

Please note that, in this license, the right to include any component of InftyReader into the products to sell or to distribute in public is not included. In case you have a plan to make a product using InftyReader or some component of InftyReader, please contact us about the re-distribution license price.

Yearly user fee

To use InftyReader with Enterprise license, yearly fee for use will be charged every year. (The first year charge is included in the initial enterprise license). As for the prices of yearly charge, please visit our web site:

http://www.sciaccess.net/en/InftyReader/InftyReader_Enterprise.html

The validity of the license will expire in 365 days after the first use. Users can extend the license every year, by purchasing the year fee for use on the web site mentioned above.

If you have any questions about this license, please contact us by e-mail.
